

Vancouver to Whistler Shuttle information

Pacific Coach Lines: Provides a Skylink service to/from the Vancouver Airport. In the peak season from December to April the service runs almost every hour. The trip takes about 3 hours. There are washrooms on board the bus and the seats are very comfortable. They also drop you off at your hotel in Whistler. A Whistler Express Service to/from downtown Vancouver to Whistler is also offered. Visit <http://www.pacificcoach.com/> for more information.

Premier Pacific Coach Lines: Offers shuttle service to/from Vancouver Airport and pick up and drop offs at various hotels in downtown Vancouver. They have a limited schedule so make sure you check the shuttle times before booking. Visit <http://www.perimeterbus.com/premier-pacific-coach-lines> for more information.

Greyhound Lines: Offers the most affordable option but is only available from Vancouver's city centre. A quick taxi ride or Skytrain Ride from downtown. From the airport, you'd have to take the Canada Line to downtown Vancouver and transfer onto the Expo Line skytrain to Main Street/Science World Station. The bus does not drop off at any Whistler hotels, just at the Village Gate Bus Loop. From there it may be a short walk to your hotel or taxi ride depending on where you're staying. Visit <https://www.greyhound.ca/> for more information.

Whistler Activities

Whistler offers a huge variety of things to do: from skiing and snowboarding, to zip lining, tubing, and even dog sledding. Visit <https://www.whistler.com/activities/winter/> for more information.
